SUMMARY

I am a young man eager to learn and become a skilled Full Stack developer. I am always looking for improvement in all aspects of my life, not just professionally. I pride myself on being someone people can trust. I love to dive into new projects and courses to further improve my skills and further my personal growth.

PROFESSIONAL EXPERIENCE

Software Developer

Turing-IA | 2023

I worked with several **WEB** applications, **microservices** and **Software As A Service** focused on **security** and **data analysis** such as **Okta** and **Tableau** respectively. My technology **stack** was: **PHP Vanilla**, **Laravel**, **Java**, **JavaScript Vanilla**, **ReactJS**, **Git**, **SQLServer**, **MySQL**. I worked with a **team**.

WEB Developer

ITSOEH | 2023

I **built** the **web project** that seeks to **solve** the problem of **evaluation** of school projects within the **institute**. I built a web **client** and an **API** to extend the **service** to other **platforms**, my Stack was conformed with the following technologies: **Docker**, **PHP**, **JavaScript**, **MySQL**, **Git**, **Composer**.

Collaborator in WEB development

ITSOEH | 2021

I worked on the **development** of a web application for the **administration** of **social service** and **internships** of **students**. My Stack was based on **MySQL**, **Laravel** and **Javascript**.

Cashier

OXXO | 2019 - 2020

General help for the first 3 weeks, then I was **promoted** to the **position** of **cashier** due to my **customer** service **skills** and my **ability** to **handle stressful** situations.

Librarian

Mixquiahuala Public Library | 2017 - 2018

Assist library **users** in finding, checking out (**borrowing**) and **receiving** books. In **addition**, **clean** and **organize** the area.
